Our Charter: Sunnyside Stock Farm (SSF) seeks to provide a quality environment for you and your horse(s) and is dedicated to serving each customer as if their animal were our own. We are a place where the love of horses draws people of like minds together. If you love horses as we do and if you love horse people as we seek too, then SSF may be an option for your boarding needs.

From The Desk of Dave Phair: Dave Phair, who founded and spent nearly every day at his second home, Sunnyside Stock Farm, kept in a small leather bound pouch years of collected poems, letters he wrote or which were written to him, wisdom insights and prayers. Following is an excerpt of one of those prayers by an unknown writer;

Though men may say different; there is only one truth.
We live, we die, but in the living is a man judged.
Does he hate or love? It is for him to choose.
By the one he spreads joy and upholds his neighbor in time of despair; by the other
he only adds to the burdens of his fellow man.
If you would be a blessing to our kind, then choose to love, choose truth.
